## **Meet You There**

Climb up on a mountain, just to watch it come down  
But sooner or later babe, you're gonna need me around  
'Cause you're getting older, there ain't no stopping that  
It's a backstabbing world honey, just lean your head back  
The fool in me  
It's like a dream, you see  
But if the world is right  
I'll drive all night  
And meet you there someday
